Subject: Conflict of Interest Disclosure for Manuscript Submission

Dear Editor,

I am submitting the manuscript entitled "High-resolution diffusion-weighted imaging with self-gated self-supervised unrolled reconstruction" for consideration in *Magnetic Resonance in Medicine*.

In accordance with the journal's policies, I would like to declare any potential conflicts of interest related to this work:

- I have no conflict of interests with other authors.

If applicable, all sources of funding have been acknowledged in the manuscript.

Thank you for your consideration.

Frederik Laun

Sincerely,

Frederik B Laun
